Network savings and convenience

When you receive care from a dentist who participates in the Aetna dental network, you pay less for your share of the dental expense because network dentists have agreed to accept Aetna's contracted rates. A network dentist will file your claim.

When you use a non-participating dentist, your coverage is subject to recognized charges. You may be responsible for filing claims when care is provided by a non-participating dentist.

¹ A third cleaning will be covered for those who qualify due to certain medical conditions such as pregnancy, diabetes or heart disease. Contact Member Services for details.

² Based on contracted rates.

³ Subject to recognized charges.

These charts display only a general description of your benefits under the DoD NAF HBP. Should there be a conflict between the benefits shown on the chart and those in the Summary Plan Description (SPD), the terms of the SPD will be used to determine coverages and benefits.
