When you receive care from a dentist who participates in the Aetna® dental network, you pay less for your share of the dental expense because network dentists have agreed to accept the Aetna contracted rates. A network dentist will file your claim. You can search for Dental PPO network providers on <a href="https://aetna.com">aetna.com</a> .		
When you use an out-of-network dentist, your coverage is subject to recognized charges. You may be responsible for filing claims when care is provided by an out-of-network dentist.		

<sup>1</sup> A third cleaning will be covered for those who qualify due to certain medical conditions, such as pregnancy, diabetes or heart disease. Contact Aetna Member Services for details.

<sup>2</sup> Based on contracted rates.

<sup>3</sup> Subject to recognized charges.

You must be enrolled in a medical plan offered by your NAF employer to enroll in this Aetna Passive PPO Dental Plan. These charts show only a general description of your benefits under the DoD NAF Health Benefits Program. If there is a conflict between the benefits shown in the charts and those in the Summary Plan Description (SPD), the terms of the SPD will be used to determine coverage and benefits.
