## HEALTHNET IS THE NEW KID IN TOWN

OPEN ENROLLMENT: November 1, 2022 through November 30, 2022  
Effective January 1, 2023

Good news! There is another medical plan option being offered in California. In addition to the Aetna Choice POS II, Aetna Choice POS II – HDHP and Kaiser California plans, associates in California **may be eligible** to enroll in the HealthNet health plan, effective January 1, 2023. **To learn if you live or work in an area that has coverage for any of these medical plans, see one of the links below.**

### Where to go to learn more about HealthNet

There are several ways to learn more about the HealthNet medical plan.

1. To see if your providers are in the HealthNet network, go to [www.healthnet.com/providersearch](http://www.healthnet.com/providersearch)
2. To access HealthNet plan information or any other benefit that NEXCOM offers, go to the NEXCOM [Virtual Benefits Fair](#) (hint . . . enter your zip code, click **GO TO THE FAIR**, select your region from the dropdown box, select **LET'S GO**). Select Medical.
3. To view the Aetna vs Kaiser vs HealthNet Medical Plan Comparison, review the Summary of Benefits, and print the Enrollment Forms, [click here](#) or go to the NEXCOM HUB > Code H > my Benefits > Medical Plans > HMO.
4. To do actual modeling and comparing of the Aetna plans and Anthem plan, you can use the Alex virtual benefits counselor tool at [www.myalex.com/NEXCOM](http://www.myalex.com/NEXCOM)
