

HOW TO MEASURE

For the most accurate sizing, measurements should be taken while wearing the physical training uniform or similar clothing in thickness and fit.

BUST.

Wear your bra preference for the uniform item(s). Measure around the fullest part of your bust, keeping the measuring tape level.

WAIST.

Measure around the narrowest part of your waistline, keeping the measuring tape level.

HIP.

Stand relaxed with feet shoulder-width apart. Measure around the fullest part of your hip, keeping the measuring tape level.

HEIGHT.

Wear socks or bare feet. Measure from floor to top of head.
